PROFESSIONAL EXPERIENCE

Product Designer

Aug 2025 - Present

WeDevelop | Remote

I create designs that bridge business objectives with user needs through simplicity and usability.

- Design impactful landing pages and established cohesive branding identity for WeDevelop clients.
- Spearhead the entire UX UI design process, ensuring a user-centered approach throughout.
- Develop comprehensive user flows and conduct user testing to enhance usability and engagement.

UX UI Designer

Feb 2025 - Sep 2025

Alpha Efficiency | Remote

I designed clean, intuitive interfaces that make digital experiences work better.

- Created UX/UI designs for a range of digital projects, from landing pages and websites to complex apps and SaaS platforms, focused on solving client challenges.
- Leveraged UX research to create intuitive, goal-driven designs that enhance user interaction.
- Redefined digital experiences by balancing aesthetics, accessibility, and business objectives.

Product Designer

Jul 2021 - Feb 2025

Freelance | Remote

- Developed cohesive UX/UI designs focusing on user communication and accessibility.
- Applied UX research insights to create intuitive user experiences.
- Balanced functionality and aesthetics in design complex projects.

Product Designer

Jun 2014 – Jan 2021

Government Secretary of Communication | Córdoba, Argentina

- Conducted UX research to align design solutions with user needs and institutional goals.

Nathalie D. Rodriguez

- Designed intuitive interfaces and cohesive design systems across multiple platforms.
- Partnered with institutions to organize successful national events, utilizing creative strategies like mobile apps and sensory installations.
