I design digital products end-to-end. Translating complex problems into intuitive and scalable solutions that align user needs with business goals.

SKILLS

Design: Product Design, Interaction Design, User Interface, Prototyping, Visual Design, Wireframing, High Fidelity Mockups.

Research: User Interviews, User Testing, Information Architecture, Journey Mapping, Qualitative and Quantitative Analysis, A/B Testing.

Software: UX UI Design: Figma | Task Management: Notion - ClickUp - Trello - Jira - Miro - Padlet | Reporting, Insight tools: Hotjar -

Google Analytics | Testing: Optimal Workshop - Maze | Wireframes, User flow: Whimsical | Graphic Design: Adobe .Ps - .Ai - .Id. | Generative AI -

Adobe Firefly - Claude Code - Gemini - Cursor.

Soft: Languages: Spanish Native - English C1 Proficient | Rapid Iteration, Cross-functional teamwork and communication, Human-centric approach.

PROFESSIONAL EXPERIENCE

Product Designer

Aug 2025 - Present

WeDevelop | Remote

- Led end-to-end Product Design for diverse client portfolios, aligning business goals with user needs through data-driven solutions.
- Developed Information Architecture (IA), complex user flows and interactive prototypes to reduce user friction.
- Conducted User Testing and rapid iterations, partnering closely with dev teams to ensure seamless product handoffs.

UX UI Designer

Feb 2025 - Sep 2025

Alpha Efficiency | Remote

- Designed complex SaaS platforms and dashboards, optimizing data visualization to drastically reduce user cognitive load.
- Created high-converting landing pages and responsive sites, translating qualitative UX research into goal-driven UI.
- Implemented web accessibility standards (WCAG), balancing high-end aesthetics with business conversion metrics.

Product Designer

Jul 2021 - Feb 2025

Freelance | Remote

- Managed client relationships independently, transforming business requirements into functional, market-ready solutions.
- Leveraged advanced Figma features (Auto Layout, Components) to build scalable assets, reducing dev handoff time.
- Translated UX Research insights and high-fidelity mockups into intuitive, fully accessible digital products.

UX Researcher

Jun 2014 – Jan 2021

Government Secretary of Communication | Córdoba, Argentina

- Spearheaded UX Research initiatives (interviews and journey mapping) to align public platforms with user needs.
- Designed multi-platform layouts and digital interfaces focused on high-traffic accessibility and clear hierarchy.
- Co-designed an Omnichannel Customer Experience (CX) for national events, winning Golden and Silver Eikon Awards.

UX UI Designer

Jun 2013 – Dec 2020

Carlos Paz Golf Country Club | Córdoba, Argentina

- Handled Web Design optimization and UI maintenance, significantly improving site loading speed and interaction.
- Developed UX/UI strategies for premium events, driving digital engagement and member conversion.
- Conducted UX research to optimize content design and improve user interaction on key website features.

EDUCATION

University Certificate Program

Dec 2025

UXResearch | Belgrano University

Courses

AI Design Systems - Bootcamp | Memorisely

Apr 2026

Prototyping (Figma and Adobe XD) | Coder House

Feb 2024

User Interface Design | National Technological University

Oct 2023

Advanced UX UI Design | Coder House

Jan 2022

Social Communication Bachelor's Degree

Dec 2014

Catholic University of Santiago del Estero, Argentina

Professional Journalist

Feb 2010

University College of Journalism Bishop Trejo and Sanabria, Córdoba, Argentina
